## Pump Solutions Group (PSG™) Opens New Regional Office in Singapore

**Downers Grove, IL, August 19, 2011** — Pump Solutions Group (PSG™) is proud to announce the opening of a new PSG regional office in the Asian nation of Singapore. The new PSG Singapore facility is located at #06-03A KA Place at 159 Kampong Ampat.

“This new Singapore office not only denotes a further step in the ongoing globalization of PSG and its brands, especially in Asia, but also shows a strong commitment to our customers and channel partners in the Asian region,” said Danny Sanders, Director of Sales, Asia/Pacific for PSG. “Having this office will surely increase our Asian regional capability and improve responsiveness to our customers and the market. We look forward to seeing all of our customers in the Singapore office soon and enabling them with the PSG tools that will increase the success of their businesses.”

PSG’s Singapore office will primarily operate as a Competency Center that will be used to assist in the goal of growing the reach and marketability of all PSG brands throughout Asia. A specific focus will involve optimizing application engineering in order to further expand PSG’s reach to targeted business channels and customers. PSG’s leading brands include Almatec®, Blackmer®, EnviroGear®, Griswold™, Mouvex, Neptune™ and Wilden®.

Additionally, the Asia Competency Center will be used for distributor training that will focus on specific PSG products.
