

COMPETITIVE COMPARISON:

All-Flo® vs. SANDPIPER® Pumps

Where Innovation Flows

Introducing All-Flo®

The best-kept secret in the AODD pump industry

All-Flo, a name synonymous with value and quick turnaround, has provided customers around the world with reliable AODD pumps for decades. With pumps manufactured from a comprehensive range of metallic and plastic materials, we can compete head-to-head with any other pump manufacturer in today's market—and we remain as committed as ever to our customers.

What Makes Us Different?

We pride ourselves on making it easy for our customers to do business with—this includes our business practices, quick lead times, competitive pricing and straightforward design. That's why so many companies choose All-Flo as their #1 choice for AODD pumps.

Streamlined Design Minimizes Parts

- ✓ Easy maintenance
- ✓ Uniform air valve design means stocking repair parts is easy
- ✓ Simple repairs because of low part count

Ready2Ship Program Delivers Your Pumps Fast

- ✓ No minimum order requirements
- ✓ Off-the-shelf & build-to-order models available
- ✓ Ability to cross-reference other pump brands & accommodate with an All-Flo design

Rugged, Dependable Design Offers Peace of Mind

- ✓ 100% tested before shipment
- ✓ No additional lubrication of air valve required
- ✓ Warranty:
 - 6 years from date of production
 - 5 years from date of purchase

See the Difference: All-Flo vs. SANDPIPER Metal Pump / 2" Size

| How Does ALL-FLO Compare to SANDPIPER? | ALL-FLO A200 | SANDPIPER S20 |
|------------------------------------------------------------------------------------------------------------------------------------------|-----------------|-----------------|
|  28.6% Less <i>Maximum Air Consumption</i> | 100 SCFM | 140 SCFM |

With less air consumption, All-Flo saves you energy costs in every application.

| | | |
|-------------------------------------------------------------------------------------------------------------------------------------------|-----------|-----------|
|  50 Fewer Parts <i>Air Valve Part Count</i> | 28 | 78 |
|-------------------------------------------------------------------------------------------------------------------------------------------|-----------|-----------|

With fewer parts, All-Flo minimizes costly maintenance, replacement and stocking requirements.

SANDPIPER® is a registered trademark of Warren Rupp, Inc.

All-Flo's Benefits
