

## **EU Declaration of Conformity (DoC - EMC)**

We, Malema Sensors located at 1060 South Rogers Circle, Boca Raton Florida 33487, declare under our sole responsibility that the product(s) described in the tables are in conformity with the essential requirements and other relevant requirements of the following Directives:

EMC Directive 2014/30/EU of the European Parliament and of the Council of 26 February 2014 on the approximation of the laws of the Member States relating to electromagnetic compatibility.

|                       |                                |
|-----------------------|--------------------------------|
| <b>Product Type:</b>  | Tangential turbine flow meters |
| <b>Trade Name(s):</b> | M-10000                        |

The object of the declaration described above is in conformity with the relevant Union Harmonization Legislation:

| Directive<br>2014/30/EU | Standard(s) Applied                                                                                                                                                                                                                                                |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                         | EN 61000-6-2:2005-Electromagnetic compatibility (EMC) - Part 6-2: Generic standards - Immunity for industrial environments<br>EN 61000-6-4:2007- Electromagnetic compatibility (EMC) - Part 6-4: Generic standards - Emission standard for industrial environments |

Supplementary Information:

Notified Body Involved or Testing Organization: (Directive 2014/30/EU)

- Third party- LAB: NTS Silicon Valley (Elliot Labs)
- Address/Location: 41039 Boyce Road, Fremont, CA 94538
- Report/Letter Issuing date: 10/22/2007
- 

The above listed products are also produced under a quality scheme at least in conformity with ISO 9001:2015 requirements.
